(customer)

Yo yo yo, my man yo

(employee)

Yeah man, what can I help you with?

(customer)

Yeah, you gotta say you got me on this one, look

(employee)

Wha'da ya need, wha'da ya need?

(customer)

Ya got the new nelly? ya got that in, the new nellyville,
you got that right?

(employee)

What is that, rap or something?

(customer)

Yeah

(employee)

I think we just sold outta it man.

(customer)

Sold out? ! come on brother, it's the 4th, 5th store I've
been to today, they all sold out

(employee)

We're all sold out

(customer)

Come on man, you gotta help a brother out, I'm in a
desperate situation here

(employee)

I'd love to help ya, my brother

(customer)

I gotta nice little sexy little thang waitin for me at the
crib and all she wanna hear is nelly, I'm tryin to get it,

do ya feel?

(employee)

I hear ya, I hear ya, ya gotta get the mood going...ya know

(customer)

That's what I'm tryin to do pimp ju..

(employee)

Pimp juice? !

(customer)

Look man, just let me, let me.....can ya download it for me, something? ?

(employee)

Naw man, we can't do that here

(customer)

Mp3, you can't?

(employee)

No we can't, mp3 I'm sorry

(customer)

Lemme take one of these listening machines or somethin and bring it back to ya tomorrow

(employee)

Ya fuckin crazy, my boss would kill me man

(customer)

Look man, just check in the back, do whatever you gotta do

(employee)

Hold on, lemme see what I can do for ya bro, lemme see....(pause)

Man this is the last one I got

(customer)

I'm cool

(employee)

It's the clean version, that's all I got, I found the clean version for ya

(customer)

It's the clean version? !

(employee)
Ya know...the new one, nellyville?

(customer)
Ya say they ain't no cussin on it or nuttin?

(employee)
Ya want it?

(customer)
If that all you got..

(employee)
It's hip-hop

(customer)
Aww damn, aight, aight, gimme that man, I just gotta
make it happen now, I just gotta

(employee)
Alright, alright, hurry up though, we got people waitin
in line here, they've been waitin for a long time

(customer)
Yeah alright, go ahead and give it to me, I'll take it

(employee) good look dawg

(customer)
Aight
