I was thinking about her  
Thinking bout me  
Thinkin bout us (us)  
What we gunna be?  
Open my eyes, (Yeah)  
it was only just a dream...

So I travel back (uh)  
down that road (road)  
Will she come back? (Uh)  
No one knows  
I realize (Yeah)  
It was only just a dream.

I was at the top and now its like I'm in the basement  
Number 1 spot, Now she find her a replacement  
I swear now I can't take it  
Knowing somebody's got my baby

Now you ain't around, baby I can't think  
I shoulda put it down, shoulda got that ring  
Cuz I can still feel it in the air  
See her pretty face, run my fingers through her hair

My lover, my life, My shawty, my wife  
She left me, Im tied.  
Cuz I knew that it just ain't right

I was thinking about her  
Thinking bout me  
Thinkin bout us (us)  
What we gunna be?  
Open my eyes, (Yeah)  
it was only just a dream...

So I travel back (Uh)  
Down that road (Yeah)  
Will she come back? (back)  
No one knows  
I realize (Yeah)  
It was only just a dream.

When I be ridin  
man I swear I see your face at every turn  
trying to get my usher on but I can't let it burn  
And I just hope that she notice she the only one I yearn  
for  
No more will I be missing, will I learn?

Didn't give her all my love  
I guess now I got my payback  
Now im in the club thinking all about my baby  
HEY, she was so easy to love  
But wait, I guess that love wasn't enough  
I'm going through it everytime that I'm alone  
Now I'm wishing she would pick up the phone  
But she made a decision that she wanted to move on  
Cause I was wrong.

I was thinking about her  
Thinking bout me  
Thinkin bout us (us)  
What we gunna be?  
Open my eyes, (Yeah)  
it was only just a dream...

So I travel back (Uh)  
Down that road (road)  
Will she come back? (back)  
No one knows  
I realize (Yeah)  
It was only just a dream...

If you ever loved somebody put your hands up  
If you ever loved somebody put your hands up  
Now they're gone and you wish you could give them  
everything
