"Just Dream"

Visit "[Just Dream](#)" on MotoLyrics.com

I was thinking about her
Thinking but me
Thinkin bout us
Where we gunna be
Open my eyesÃ¢?Â¡ Yeh and it was only just a dream,
So I travel back down that road
Will she come back?
No one knows
And I realize it only just a dream

I was at the top now itÃ¢??s like im in the basement
Number 1 spot
Now sheÃ¢??s finding a replacement
I swear now I canÃ¢??t take it
Knowing somebodyÃ¢??s got my baby
Now you ainÃ¢??t around, baby I canÃ¢??t think
I shoulda put it down, I shoulda got that ring
Cuz I can still feel it in the air
See her pretty face, run my finger through her hair
My lover, my life
My shawty, my wife
She left me, Im tight
Cuz I knew that it just ainÃ¢??t right

I was thinking about her
Thinking but me
Thinkin bout us
Where we gunna be
Open my eyesÃ¢?Â¡ Yeh and it was only just a dream
So I travel back down that road
Will she come back?
No one knows
I realize, it only just a dream

And I be ridin
And I swear I see your face at every turn
I try to get my usher on but I canÃ¢??t let it burn
And I just hope that she notice she the only one I yearn
for
No more sooner will I learn

DidnÃ¢??t give her all my love

I guess now I got my payback
Now im in the club thinking all about my baby
HEY, she was so easy to love
But wait, I guess that love wasn't enough
I'm going through it everytime im alone
Now im wishing she would just pick up the phone
But she made a decision that she wanted to move on
Cuz I was wrong.

I was thinking about her
Thinking but me
Thinkin bout us
Where we gunna be
Open my eyes! Yeh and it was only just a dream
So I travel back down that road
Will she come back?
No one knows
I realize, it only just a dream

If you every loved somebody put your hands up
If you every loved somebody put your hands up
Now they're gone and you wish you could give
them everything
X2

I was thinking about her
Thinking but me
Thinkin bout us
Where we gunna be
Open my eyes! Yeh and it was only just a dream,
So I travel back down that road
Will she come back?
No one knows
I realize, it only just a dream
X2
