Chorus:

I just wanna liv tonight!  
I just wanna liv tonight away!  
I just wanna liv tonight!  
I just wanna liv my life away!  
I just wanna liv tonight!  
I just wanna liv tonight away!  
I just wanna liv my life!  
New York, L.A., Chicago, V.A., Saint Louis!  
I just wanna live my life!  
Hey lady, today!  
I'll love you, tomorrow!  
Hey boys!  
I just wanna live my life, babe!

Top down as a roll down the back street,  
Shot gun with a twin in the back seat,  
No one but two wanting to, it is just me,  
Pull up to the club like a Pimp c,  
Shy town the playas in the V.I.P  
Hey D.J., ya, you remember me?  
It's the Nigger with the same group from the last week,  
And we be, and we be  
Popping bottles, making noise,  
On the tables, on the bars,  
Shooting game at every broad,  
Tell the girls to freak them boys,  
I feel the patrons and the re shots,  
I'm throwing a 100 dollars, re drops,  
I live it up yo it may not, it may not cause today...

Chorus:

I just wanna liv tonight!  
I just wanna liv tonight away!  
I just wanna liv tonight!  
I just wanna liv my life away!
