Imma rap to you real quick.  
I wanna enjoy the luxury of like,  
not knowing each other for real. Holâ€™™ up

Lotus flower bomb, firefly  
When lâ€™™ m low, she take me high  
I can teach you all the sounds of love

Flower bomb, let me guess your favorite fragrance  
And you got that bomb, huh, lâ€™™ m tryna detonate you  
No disrespecting baby, just tryna make you smile  
Try to keep my spirits up, thatâ€™™ s why I lays it down  
Try to keep your spirits up, lil' vodka whatever  
Took you forever to get dressed, I acknowledge your  
effort  
So I clap for her, she deserves an applause  
Shawty working so hard, she deserve that Vuitton  
Shawty where your baton, racing through my mind like  
She heard that I got that work, I heard that she been on  
strike  
Care to tell, I read your mind, she been on them dollars  
first  
Caramel macchiatos when shawty get into work  
I can be your boyfriend be your nigga or a friend with  
perks  
lâ€™™ m just tryna work that huh, they just tryna work  
your nerves  
lâ€™™ m just tryna read your mind, lâ€™™ m just tryna  
feed you mine  
lâ€™™ m just tryna give you light, they just tryna leave  
you blind

Weâ€™™ re living in a fantasy  
I feel it when you dance with me  
Itâ€™™ s feeling like you need to be  
My lady, my baby, yeah  
Canâ€™™ t you see?  
lâ€™™ m talking about eternity  
Tell me would you care to be  
My lady, my baby?

Flower bomb, can I blow up on your mind

This is not no Sandra Bull, but youâ€™re Potion #9  
Navigating through her eyes, destination to her thighs  
And I hate to tell you too much, cuz I stay with too much  
pride  
And we way too young to know love, maybe not but we  
donâ€™t need no rush  
Donâ€™t believe in love at first sight, but I believe in  
love at first huh  
Can I be with you just one night? I could wear you out  
inside  
I could tell you like persistence, but I make you come in  
trials  
I just think we need one night, canâ€™t decide if I  
came right  
Easy baby my thing tight, but that lotus flower just  
ainâ€™t right  
I ainâ€™t thinking I ainâ€™t right, canâ€™t decide but  
I canâ€™t fight  
Easy baby you the bomb and all, but I be damned if I do  
not land mine

Or at least try, can I speak up? Was it peace out? Can  
we eat lunch?  
Can we take shots with your flavor, flat drinks we call A  
cups?  
I just think I need one night, slightly more if itâ€™s  
done right  
With that gorgeous face, I donâ€™t know your name, it  
ainâ€™t important babe cuz imma call you Mine

Weâ€™re living in a fantasy  
I feel it when you dance with me  
Itâ€™s feeling like you need to be  
My lady, my baby, yeah  
Canâ€™t you see?  
Iâ€™m talking about eternity  
Tell me would you care to be  
My lady, my baby?

Cuz you donâ€™t know who, you donâ€™t know when  
If I keep stickinâ€™ baby, whatâ€™s it gonna be  
You donâ€™t know who, you donâ€™t know when  
Let me teach you all the sounds of love

Ahhhh, ayyyyy, eeeeeee, ahh ohh oooh  
Baby this was for you, lotus
