Ay yo ma, how you doin'? It's ya son now
And I picked up the mic and put the drugs down
Now I'm tryin' to do some things that'll make you proud
Instead of every time I call it's to bail me out

Oh why didn't I listen to things you used to tell me
Knowin' that everything that you said would never fail
me
Like they got plans for ya, ain't nothin' I can do
When them laws get they hands on ya

But I ain't listenin', even payin' attention I'm just tryin'
get mine
Takin' advantage, you would get two jobs at the same
time
Ungrateful, complainin' about Nike and Polo signs
But you always come through, and what do I do?

I wreck both ya cars, stole money from ya drawers
Sold dope out ya yard, stayed into with them laws
Tryin' to pay you back for all the stress that I caused
And always be there to give you whatever you want

(Don't stop ever loving me)
Uh, uh, I said whatever you need
(Don't stop ever loving me)
Uh, uh, I said you don't have to worry no more

(Don't stop ever loving me)
Uh, uh, uh, 'cause ya son will be there for you
(Don't stop ever loving me)
Uh, uh, uh

Now verse two, yeah that's for you boo
I send ya props 'cause you the only one that stuck
through
When I'm upset and stressed you give me back rubs
When I'm depressed you give me head off in the
bathtub, E-I

On ya P's and Q's, on ya Q's and P's
You hear my beeper goin' off and you just throw me my

keys

Ain't even askin' me yo is it coochie or G's?
And for that reason now you can ask me for anything

Not a for real smoker but you choke with me
Not too hot about the drinkin' but you toast with me
Livin' at ya granny house you kept the dope for me
And wouldn't hesitate to go to court for me

Need money, my boo'll go and work the avenue
My boo'll fuck you up if I ask her to
That's why I do the things I do
And I will always be there to give you whatever you
want

(Don't stop ever loving me)
Uh, uh, I said whatever you need
(Don't stop ever loving me)
Uh, uh, I said I don't wanna lose you no

(Don't stop ever loving me)
Uh, uh, uh, 'cause you're my boo and my only one
(Don't stop ever loving me)
Uh, uh, uh

I'm doin' this one here for Shaun Haynes, Lashando
and J.D.
D Quick, Boo Gees and Fatty
My nigga Lil' Erv, Gino and Poochie
And everybody over on Euclide and Labade

Young Big Touch, Pooh and Big Baby
Rio, J.T. and Big Money
Herky Jerk, Wezz and Pea and Cody
J.E., K-Ug and Odie

Toe-Fa, M.J., and Cowlby
And all my soldiers down at Frank Brown on Monday
My Lunatic fam, Keyuan, Murphy Lee
City Spud, T-Love and Big Lee

Yellow Mack, Slow Down, Courtney B
The rest of my niggas up in the NYC
And without Trail, Cooter and Coach it just wouldn't be
And I will always be there to give you whatever you
want

(Don't stop ever loving me)
Uh uh I said whatever you need
(Don't stop ever loving me)
Uh, uh, uh 'Cause y'all my niggas for life you know

(Don't stop ever loving me)
You can always smoke with me
(Don't stop ever loving me)
Uh uh uh

If you're feeling probably like doin' that
If you're feeling probably like it
If you're feeling probably like
Ma, see you ma
(Don't stop ever loving me)
