[Nelly]

I used to pride myself on being the other man
But now it's flipped and I don't want you with no other
man
Why can't you understand anything I'm offering
I gave you the world, but you just wanted arguing
From the time I picked you up, until the time I dropped
you off again
Even flipped out on me at the mall again
It's all his fault again that's what you tellin all ya friends
I ain't pointing fingers ma, i just wanna call again
See how ya day going I know they stressin on ya
I know them times get hard that's why I'm checkin on ya
It's yours truly ma, I got little message for ya
Anything he can do, girl I can do better for ya
Cause

Hook: [Nelly]

When we laugh or we cry it's together
Through the rain and the stormiest weather
We gon still be as one it's forever, it's forever

Chorus: [Jaheim]

Won't you come on and go with me (oh girl)
Come on over to my place
Won't you sit ya self down and take a seat
and let me ease ya mind girl
We gon do it our way (our way)

[Nelly]

I heard your friend tell a friend that told a friend of
mine
That you was thinking that we should do it one more
time
If this ain't the truth then hopefully it's not a lie
Cause I ain't got no issue with hitting that another time
We never had a problem with gettin it done
Disagreed upon a lot ma, but sex wouldn't one
Now check it I know you get excited when I come
around and bite it
Quit frownin up and quit actin like you don't like it

I like it (I know you like), I like it (You really like it), I
really, really like it,
I want it (You really want it), adore it (adore it), so come
with me enjoy it

Hook: [Nelly]

When we laugh or we cry it's together
Through the rain and the stormiest weather
We gon still be as one it's forever, it's forever

Chorus: [Jaheim]

Won't you come on and go with me (oh girl)
Come on over to my place
Won't you sit ya self down and take a seat
and let me ease ya mind girl
We gon do it our way (our way)

Bridge: [Nelly]

Shorty where you been
Feels like a long time, long long time since I seen ya
Yes it has girl, and i know i said some f***** up things
to you before...
But girl you know I didn't mean it
I didn't mean one single word
I never meant one single word
If I could take back every word I would and more for
sure
If I thought that you believe it
Cause you make my life so convinient for me

Hook: [Nelly]

When we laugh or we cry it's together
Through the rain and the stormiest weather
We gon still be as one it's forever, it's forever

Chorus: [Jaheim]

Won't you come on and go with me (oh girl)
Come on over to my place
Won't you sit ya self down and take a seat
and let me ease ya mind girl
We gon do it our way (our way)
