'Coz it's all in my head
I think about it over and over again
And I can't keep picturin' you with him
And it hurts so bad

Yeah 'coz it's all in my head
I think about it over and over again
I replay it over and over again
And I can't take it, I can't shake it, no

I can't wait to see you
Wanna see if you still got that look in your eye
That one you had for me
Before we said our goodbyes

And it's a shame that we gotta spend our time
Being mad about the same things
Over and over again about the same things
Over and over again

Oh, but I think she's leavin'
Aw man, she's leavin'
I don't know what else to do
Can't go on not lovin' you

'Coz it's all in my head
I think about it over and over again
And I can't keep picturin' you with him
And it hurts so bad

Yeah 'coz it's all in my head
I think about it over and over again
I replay it over and over again
And I can't take it, I can't shake it, no

I remember the day you left
I remember the last breath you took right in front of me
When you said that you'd leave

I was to damn stubborn to try to stop you or say
anything

But I see clearly now
And this choice I made keeps playin' in my head
Over and over again playin' in my head
Over and over again

Oh, but I think she's leavin'
Aw man, she's leavin'
I don't know what else to do
I can't go on not lovin' you

'Coz it's all in my head
I think about it over and over again
And I can't keep picturin' you with him
And it hurts so bad

Yeah 'coz it's all in my head
I think about it over and over again
I replay it over and over again
And I can't take it, I can't shake it, no

Now that I that realize that I'm going down
From all this pain you put me through
Every time I close my eyes, I lock it down
Ohh, I can't go on not lovin' you

'Coz it's all in my head
I think about it over and over again
And I can't keep picturin' you with him
And it hurts so bad

Yeah 'coz it's all in my head
I think about it over and over again
I replay it over and over again
And I can't take it, I can't shake it

'Coz it's all in my head
I think about it over and over again
And I can't keep picturin' you with him
And it hurts so bad

Yeah 'coz it's all in my head
I think about it over and over again
I replay it over and over again
And I can't take it, I can't shake it, no

Uh uh uh
Uh uh uh
Uh uh uh

Uh uh uh
Uh uh uh
Uh

Over and over again
Over and over again
'Coz it's all in my head
