Where my party people at? (Where my party people

[Fergie:]

Well it's Fergie Dutchess comin straight from Cali-for-
N-I-A

Stuntin in my loc-locs, dreamin 'bout me M.I.A.

Boyfriend wonderin where I'm at, cause I'm in the spot-
spot

Why he always tryin to be puttin me down on lock lock?

[Nelly:]

Patiently waitin and takin my time

Watchin these haters done come with they rhymes

Watchin these suckers all mimickin, gimmickin

Then they start fallin off one at a time

You be the searcher but you never could find

I promise you durty I'm one of a kind

Mold is broken, the formula's mine

I killed the idea and destroyed the design

[Fergie:]

I was patiently waitin and takin my time

Now that I'm here I'm gettin my shine

All of you haters can kiss my behind

Specifically speakin I'm talkin 'bout mine

Don't need you to tell me I know that I'm fine

I'm killin it baby so call it a crime

Yeah you watch it but I'm stealin my time

I told you before that big girls don't cry

[Nelly:] Where my party people at?

[Chorus]

[Outro x8: Fergie (Nelly)]

Where my party people at? (Where my party people
at?)

All of you haters can kiss a behind specifically speakin
I'm talkin bout mine

Don't need you to tell me I know that I'm fine

I'm killin it baby so call it a crime

Yea you watch it I'm stealin my time

I told you before that big girls don't cry

Where my party people at?

[Chorus]
