Hey yo now that Im a fly guy and I fly high  
Niggaz wanna now why, why I fly by  
But yo it's all good Range Rover all wood  
Do me like you should fuck me good, suck me good  
We be them stunt niggaz, wishin you was niggaz  
Poppin like we drug dealers, simply cause she butt-  
naked  
Honey in the club, me in the Benz  
Icy grip, tellin me to live with two of your friends

(remix!)

Chorus:

I wanna know if you wanna ride  
Wanna go and take a ride with me  
I know a place where we can just chill girl  
And don't worry, I got plenty money

Verse 1:

(Hey!)

We on the club on the late night  
We feelin right  
Lookin for a couple of shorties that's gon' do me right  
They can be 21 or 20 years old  
Long as they got I.D.  
Man I don't need no troubles  
There might be two walkin over nice and real slow  
They said they liked the way I looked in my last video  
"is there somewhere Nelly all three of us can go?"  
I thought about it for a minute and I said, "hmm"  
(Hell Yeah)

Chorus

Verse 2:

(hey!)

We still shoppin ?? me and my boy  
Hurry up, come on, Im pullin out another toy  
My pockets deeper then they've ever, ever been before

Im not just braggin, Im just sayin "I aint gotta think  
about that shit no more"  
All of a sudden i'm the man where ever I go  
Screamin fans in the stands lining my show  
Heard there's a party up in NYC trying to figure should I  
go?  
Thought about it for a minute then I said , "hmmm"  
(Hell Yeah)  
Chorus 2x

I know somethin (somethin) you don't know  
And I know somethin (somethin) I got to tell ya  
I know somethin (somethin) doubted my flow  
I know somethin (somethin) called me a failure

I know somethin (somethin) you don't know  
And I know somethin (somethin) I got to tell ya  
I know somethin (somethin) doubted my flow  
I know somethin (somethin) called me a faliure

Chorus

And don't worry I got plenty money 2x

(free city)

Shot out to my nigga John Mayer holdin it down dirty  
John Mayer, John Mayer we know we be hustle livin in  
the hood  
You still be writing
