[Chorus-Stephen Marley]

Walk down the river cuz the river don't run

Same thing make you laugh, make you cry

Thats why what goes around comes around my son

Walk down the river cuz the river don't run

Same thing make you laugh make you cry

I got them rocks, them yellow diamonds and that ooh  
ooh oh bling

[Nelly]

Man I got two twin cutles's interior gator

I call em' Now and Later cz they candy flavored

You see I drive one now and drive the other one later

Shit it's the new Fresh Prince and all Im missing is Jada (hey)

I got a hard drive all Im missing is data

Please give my number to ya sister I been missing to date her

I hate to hate a hater

In fact I hate to hate

Hatein' is hatein' you should never hate congradulate

Look hurr my attitude is just that you may never know my mind

Or know just what Im thinkin' if I don't let you inside

Yeah inside my mental I know you ment well

Im out of time and out of training days like Denzel

Never the gangsta type, more lke a hustla (mayne)

I fucked the ones up out them playboy books and hustler

Honeys and (?) tails

The King magazines, the maximas the eye candy (?) in queens

[Chorus-Stephen Marley]

Walk down the river cuz the river don't run

Same thing make you laugh, make you cry

Thats why what goes around comes around my son

Walk down the river cuz the river don't run

Same thing make you laugh make you cry

I got them rocks, them yellow diamonds and that ooh ooh oh bling

[Nelly]

Im a spit it till I really can't spit it no mo'

Nothin' changed cell phone still 314

No the dertty ain't movin nann East West coast

Im a Midwest swanger cuz they love me the most

Some of em' lie me humble, others like me to boast

Please, my whole life is off of bets and numbers

I take a G-4 land to that H2 Hummer

Leave a 745 in LA for the summer

Got the world wide cell to check the e-mail

Plus 41k plan in ATL got 8 females

I see em' all from 8 to 12

The only player who can ball without his ACL

Who may not be original but still a dunn da da

Im gone take his beat and flip it, Im gone make it hotter

You go head and take the train and Im gone take the chopper

Im tired of niggas frontin like they top gun shockers (this is)

[Chorus-Stephen Marley]

Walk down the river cuz the river don't run

Same thing make you laugh, make you cry

Thats why what goes around comes around my son

Walk down the river cuz the river don't run

Same thing make you laugh make you cry

I got them rocks, them yellow diamonds and that ooh ooh oh bling

[Stephen Marley]

Man come running over, just ta shine his light

Lets take a visit, sacred is the night

Wrong wishes be ware, now that I am here

Loardy,loardy,loardy,loardy,loardy

Loardy,loardy,loardy,loardy,loardy

[Murphy Lee]

Shoot, they thought a durrtty wouldnt make it this far

Now Im supporting my family they likin who I are

Schoolboy hard worker they consider him a star

I guess thats why they look at us as if we from mars

Singa la ling I deal wit bars like a weight trainer

Hustlin' got me bigger like weight gainer

A once remainer, St.Louis entertainer

My women love me later, how could a hater blame her

Shoot, Im just that dude that kick bars for a living

Get rich and trick collect cars for a living

Houses on hills, wit great lakes in the back

Bowling alleys and basements, beds bigger than Shaq's

Damn look at the leather in that old school Lac'

Baby doo doo green, I wonder who al' do that

The original rude dude, considered to cool

Probably know me from touching your booty at school (Bling)

[Chorus-Stephen Marley]

Walk down the river cuz the river don't run

Same thing make you laugh, make you cry

That's why what goes around comes around my son

Walk down the river cuz the river don't run

Same thing make you laugh make you cry

I got them rocks, them yellow diamonds and that ooh ooh oh bling
