I'm sorry I forsake you  
I'm sorry that I left you  
I'm sorry I did forget you  
And I'm sorry that I made myself feel better  
By making you feel never good enough  
I know you'll shine much brighter than I ever could  
Maybe that is why I was

Chorus:

Scared of you (and in everything I do I'm still thinking  
of you) oh, you  
And I know you were scared of me (but everytime I  
tried to love you I just  
fell through) too

Desculpa-me se te-ofendi  
Desculpa-me se te-esqueci  
Desculpa me se-eu te-deixei  
Eu te-deixei  
E desculpa-me por mi sentir bem com tua dor  
Sabes que te-adore mais sei que tu estrela a maior do  
que minha,  
do que minha  
E por isso

Chorus:

Eu tenho medo deste amor (os dias passo pensando  
en ti) amor  
Medo deste amor (Salve-me porque agora estou  
caindo) amor

Scared of you I was  
Scared of you I was  
Scared of you  
Scared of you  
Scared of you
