That motherfucker was horrific

Yes it was, yes it was

Okay, I was

[Chorus]

Sitttttttttin, on the hillllllllll

Countin my, DOUGH

Million-two, million-three, million-four

Five million, six million, seven million more

Then I heard a knock knock, who's there?

It's yo' friendly neighborhood Cad leanin and M.O.

beamin Spida Man

So bewurr

Come take a look up in the sky, you can't lie

I know you feel it when it

Sitttttttttin, on the hillllllllll

Countin my, DOUGH

Million-two, million-three, million-four

Five million, six million, seven million more

Then I heard a knock knock, who's there?

It's yo' friendly neighborhood Cad leanin and M.O.

beamin Spida Man

So bewurr (bewurr)

Come take a look up in the sky, you can't lie

I know you feel it when it (KNOCK KNOCK)

[[Nelly]

I used to live in cellars, I used to coke a sellah

Two hundred million fella, call me a fo'tune tella

Tryin to get over Eazy, like they was Jerry Heller

I never want to jail-ah, cause I'm too slick a fella

Seen me on wheels befo', man you should see me now

It might be hard though, because I sit too high

I sit up on the hill, but I'm still down to earth

I'm like the Rams man I'm at the best when on my turf

You watch your girl flirt, you watch your girl tease

You think your girl want cheese? Then check your girl

knees

You need to check her needs, befo' I check 'em for ya

Cause once I check her needs, she won't be checkin for

ya

You hear a KNOCK KNOCK, who is it that's, payin a visit

She's, goin ballistic while he's, sippin on her Mystic

Whoa, it's the exquisite one named Mo, or short for
Moses
I think I'll go back to countin my money now
[Chorus]
[Nelly]
Say I don't come to the hood, what do the fuck they
know?
Who else drivin that Bentley, out there in front of Wo's
Sittin out in front of Tandy, I got my phone handy
Give me the numbers I'ma call 'em, you been missin
for 'em
I'm buyin bikes for tykes, there'll be some uniforms
While they just rap about we fo' sho' fo' kids and show
'em
At elementary schools, the day of show and tell
We didn't come to show, mo' like we came to tell
Tell 'em how to keep it strong, on how to keep it tight
To tell they right from wrong, to turn your wrong right
Watch all they words and actions, thoughts companies
and habits
Leave them tricks for rabbits, that greed for the savage
And you can make it happen, if you just don't give up
I guarantee that you can be that anything you want
Give 'em that real talk, show 'em that real walk
And maybe one day you can be like me, somewhurr
[Chorus]
KNOCK KNOCK]
