Visit "[The Lip Song](#)" on [MotoLyrics.com](https://MotoLyrics.com)

if my lips over lapped my mouth packed there bags  
and headed south that be too bad id be so sad that be  
to bad youd be so sad that be to bad

if my lips said adios i dont like you i think your gross  
that be to bad i might get mad that be to bad you might  
get mad that be to bad

if my lups moved to delouth left a mess and took my  
tooth that be to bad id call me dad that be to bad youd  
call your dad that be to bad

so what your saying is.. that be to bad youd be soo sad  
you might get mad youd call you dad that be to bad.

larry tell us about your child hood

when i was just four years old i lft my lips out in the  
cold and they turned blue what could i do they turnd  
blue what could you do
