See now you could be a lady or a bitch girl  
Still, your thicky thicky thicky thick  
Lookin' like a lolli-pop waitin' for the lick girl  
Your thicky thicky thicky thick  
Remind me of my 6-4 waitin' at the switch girl  
Your thicky thicky thicky thick  
Could be a crime that I'm waiting to commit girl?  
Your thicky thicky thicky thick

So basically I'm a joke right?  
Look me in the eyes and tell me if you don't lie  
When are you that shoes untied before you know it  
method  
First step we getting naked, pants gone in 20 seconds  
It's gettin' hectic  
Wreck it just like a hoopty with insurance  
But it seems I'm behind schedule  
With broad troubles twistin' and pullin'  
I'm like shorty help me  
(Come on)  
Help me don't blow my high, 'cause I'm too horny  
(Please)

She giggles and gives a horny smile  
So I take advantage  
Kisses in gentle places tryin' to get myself established  
I'm comfortable, wanna be in that mood with no control  
Concentrating on my every lick her every blow  
Yo', I'm still cold but cooler than 2 below  
And how I got that rubber on her ass will never know it's  
on  
Put my penis in accurate just relaxing it  
Now it's my time to party like the lunatics at an after set

See now you could be a lady or a bitch girl  
Still, your thicky thicky thicky thick  
Lookin' like a lolli-pop waitin' for the lick girl  
Your thicky thicky thicky thick  
Remind me of my 6-4 waitin' at the switch girl  
Your thicky thicky thicky thick  
Could be a crime that I'm waiting to commit girl?  
Your thicky thicky thicky thick

Now comes first like the front porch and the polo shirts  
Skirts there they are thats the one 'cause I'm far  
From average lane with that "What's your name?"  
game  
I'm stormin' on your brain like a surgeon in the rain  
Take the fame if can  
Watch me wrap like saran  
All up in this shit now  
You want me like a tan

Live in me like a van  
In reverse that's the worst  
Playa curse put up on me now  
We spreadin' on my hommies like a germ  
Watch me turn into captain kill a hoe  
Kill a hoe strong  
Watch me last long like a penny broke many motels  
I got a rich coupon  
I'm doing discounts on futons  
Comin' out like key won

I'm ill like ceramic in a hammock  
God damn it  
Thats my words  
Oohs and aahs slurred like a verb  
Someone acting like an ass like a metaphor  
Now I'm headed for the highways  
Selling me by's sideways

See now you could be a lady or a bitch girl  
Still, your thicky thicky thicky thick  
Lookin' like a lolli-pop waitin' for the lick girl  
Your thicky thicky thicky thick  
Remind me of my 6-4 waitin' at the switch girl  
Your thicky thicky thicky thick  
Could be a crime that I'm waiting to commit girl?  
Your thicky thicky thicky thick

Selling shit out to they ears  
Hot tones and telephones  
Just to get they ass back home home  
Gonna watch my bedrock like Flintstones  
Son too strong  
Try to smoke your sack is fatty sonic  
Drive me nuts like planters  
Harpin' a nigga like offalana  
(Swish)

I ban ya from the smoke house church  
Who you think you fuckin' with?

Trying to play me like Jim Carrey  
Pull some dumber and dumber shit  
Stomp me like a step show  
(Grab ho)  
Then I let go split  
(Throw)  
That ass like G-strings up on these rat hoes  
I pose as a threat

To hit any one of these niggas rats  
Split some game and get them burnt  
Gonna watch this tag team like free bird  
Say the word  
I be at rats with all my partners  
Straight loungin' with a pocket full of rubbers and have  
it  
Bouncin'  
Go make the announcement

Smoke like dynamite the good times  
Want both girls like prime time  
Want real highs and thick thighs take pride in my stylin'  
Head boards you be grabbin'  
Got 'em bangin' the walls so hard te neighbors callin'  
Asking you what happened

See now you could be a lady or a bitch girl  
(Whats goin' on over there)  
Still, your thicky thicky thicky thick  
Lookin' like a lolli-pop waitin' for the lick girl  
(Sounds like you guys are going crazy)  
Your thicky thicky thicky thick  
Remind me of my 6-4 waitin' at the switch girl  
(Going going gone)  
Your thicky thicky thicky thick  
Could be a crime that I'm waiting to commit girl?  
(Come on)  
Your thicky thicky thicky thick
