Yeah, that's tight (uh)
Check it, drop the drum right (hmmm yeah)
Put some horns in it woo! (that's right)
Do it again (yeah, yeah, ha, oooh, oooh, alright, ha)
Give her what she want, give her what she want, uh

Yeah, that's tight (uh)
Check it, drop the drum right (hmmm yeah)
Put some horns in it woo! (that's right)
Do it again (yeah, yeah, ha, oooh, oooh, alright, ha)
Give her what she want, give her what she want, uh

I see you lookin', uh
Like what you see?
Boy, now don't be shy
And look at her face in opportunity
She's right, ya know (uh, uh), she's right (ah)
Man, she's right, ya know (uh, uh), she's right (ow!)
You stand there looking at me (at me)
I stand herre looking at you girl (at you boy)
You know exactly what's on my mind (yeah, yeah)
It's just so easy to see (to see)
You came here looking for me (but uh, uh)
But I don't do that type of thing all the time, yeah
(You want me to)
Come here boy
I got a little something for ya
(You got a little bit, can I get a little bit? yeah, yeah)
And I don't know (I don't know what it is but
I just want to get to know ya, alright alright yeah
Yeah)

I need to daaaaaance
(Tilt ya head back, tilt ya head back)
All night
(Bring it back up slowly, that's right)
I need ya to daaaaaance
(Tilt ya head back, tilt ya head back)
All night
(Bring it back up slowly, that's right)

Now situations, girl

They often change
Sometimes for the good
Sometimes for the bad, but who's to blame?
He's right ya know (uh, uh), he's right (oh, baby girl)
He's right ya know (uh, uh), he's right, OW
You stand there looking at me (at me)
I stand herre looking at you girl (at you boy)
You know exactly what's on my mind (yeah, yeah)
It's just so easy to see (to see)
You came here looking for me (but uh, uh)
But I don't do that type of thing all the time, yeah
(You want me to)
Come here boy
I got a little something for ya
(You got a little bit, can I get a little bit? yeah, yeah)
And I don't know (I don't know what it is
But I just want to get to know ya, alright alright yeah

I need to daaaaaance
(Tilt ya head back, tilt ya head back)
All night
(Bring it back up slowly, that's right)
I need ya to daaaaaance

All night
(Bring it back up slowly, that's right)

Hustle for me, hustle (hustle)
Hustle for me, hustle (hustle)
Hustle for me, hustle (hustle)
Hustle for me, yeah

So, you got some nerve thinking you're so
I got a little bit of that
A little bit of this
A little bit of back
With a little bit of ---
