feat. Jermaine Dupri

Where they do that at? Where they do that at?
Where they do that at? Cause they damn sure don't do
that round her
Ride around don't stop, where they do that at?
You see my top don't drop, where they do that at?
Nigga my wrist don't rock, where they do that at?
Cause they damn sure don't do that round her

You can find me in Saint Louis still diddy
I'm still my rover but my 20's now 30
Yeah, was in my 20's now it's 30
I'm â€¦ with one black and now I got 30
You say it's jumping well I beat that night
And I probably pull her in something you never seen in
your life
Trust me mama, I'm the type of nigger needed in your
life
Don't miss the chance to advance Shawty, take my
advice
Damn girl, â€¦ all of a sudden it's important
Mama tell me your name, tell me your plans for the
night
I'ma tell you the same
Long as you leave with a nigga I don't care how you
came
I eat, sleep, shit and talkâ€¦
You see thatâ€¦ on tv, I bought that
Go look outside you see that I bought that
If I ain't a lunatic, then what do you call that?

Where they do that at? Where they do that at?
Where they do that at? Nigga I don't get it in
Where they do that at? Cause they damn sure don't do
that round her
â€¦nigga I don't get, .. Where they do that at?
I don't carry black cards, where they do that at?

Shit, â€¦ Where they do that at?
Cause they damn sure don't do that round her

You see a lot of niggas hate me cause a lot of girls love me
Some love my swag yo and other love my money
It really don't matter cause they all wanna fuck me
In Milwaukee for myâ€¦
Dope man â€¦ in a rugby
Catch me on my old school goosing on a Sunday
Runway models, it's a few that do it for me
Everybody love me yoâ€¦
Yeah that's funny, pocket full of leprechauns, nigga
call me lucky
This be the little me nigga we gonna call it chunky
But this ain't childplay â€¦ for money now
So I can get my mag on, I'm smoth with my Gucci rags
on
One more thing before I walk out the door
Oh, ratches ass hoe

Where they do that at? Where they do that at?
Where they do that at? Yeah get it in
Cause they damn sure don't do that round her
She a Shawty ain't got it where they do that at?
She a â€¦ got no â€¦ where they do that at?
â€¦ Where they do that at?
Cause they damn sure don't do that round her

They don't do that where I'm from, they just don't do
that, do that
They don't do that where I'm from, they just don't do
that, man
They don't do that where I'm from, they just don't do
that
Where they do that at? Where they do that at?
Where they do that at? Cause they damn sure don't do
that round her.
