Let's go oh  
Bet you're Something  
Don't say nothing (Don't you say a word)  
I just want to See you work it (Come on baby work it for me)  
That ain't frontin  
Show me something (Let me see it girl)  
I just try to  
See you work it (I just wanna see you work it for me yeah )

I heard her talking loud  
But she ain't saying nothing  
What up with all that frontin  
Come on and show me sumthing  
You know you wanna do it  
Go ahead yo man ain't coming  
Please do that thing  
When you dippin  
Keep yo hips bumpin  
What's up with all these questions  
And What planning baby  
You talking to me  
Like you talking to an adolscent  
I like to  
Jump off Jump off  
Clothes  
Come off come off  
Her place  
Freaky beats  
And so on so on  
Let you waist pop  
when dem place not  
I rather watch  
To the top of snow clock  
Can't even tell the time  
But you know it's mine  
What time is ma  
It's 20 Karets  
After Nine  
Are you Dehydrated?  
Well let me

Quench your thirst  
But First thing First  
Let's do what we rehearsed  
Don't get nervous now  
It show be break break it  
Get up and take a stance  
And let me see ya

Bet you're Something  
Don't say nothing (Don't you say a word)  
I just want to  
See you work it (Come on baby work it for me)  
That ain't frontin  
Show me something (Let me see it girl)  
I just try to  
See you work it (I just wanna see you work it for me  
yeah )

She still talking loud  
But she ain't saying nothing  
Why you ain't moving ma  
Dj ain't playing nothing  
You tell him to  
Play this heere  
Until these speakers blow  
Birthdays pick a place  
Baby we can go  
I like yo adllics  
The shirt with no back  
She showing off her tats  
You wouldn't know  
It's like you ghetto ghetto  
She brougetto ghetto  
She 5'5  
Brown Eyes  
In steletto steletto (Baby)  
Well did you come alone  
Or you got 2 or 3  
That ain't no thang  
Baby girl cause  
I got 2 with me  
And we gon  
All kick it  
And you about to see  
Just what a  
day would be  
If you was in  
The ride with me  
Turning on the headlights  
And we be  
Burning all the red lights

Those full steam ahead  
And ain't no stopping now  
Now come on heere and drop  
Cause he gon tell why

Bet you're Something  
Don't say nothing (Don't you say a word)  
I just want to  
See you work it (Come on baby work it for me)  
That ain't frontin (No)  
Show me something (Let me see it girl)  
I just try to  
See you work it (I just wanna see you work it for me  
yeah)

Now all my mid west shorties  
Come on do that thang  
Dance for me  
Dance for me Yeah  
And all my down south shorties  
Come on do that thang  
Come On Come On

She still talking loud  
Hold up I herre her better now  
She keep a thong print on  
In any weather now  
No sight of a band  
But I can hear the horns playing  
Da Dat Da Dat Da Dum  
She got me hypnotized  
Just like that biggy guy  
Cause she been  
Trying to prove her point  
Since we been inside  
So we can get it on  
Just wait to we get home  
I'm on something  
Call her partnah J  
Momma Come on

Bet you're Something

Don't say nothing (Don't you say a word)  
I just want to  
See you work it (Come on baby work it for me)  
That ain't frontin  
Show me something (Let me see it girl)  
I just try to  
See you work it (I just wanna see you work it for me  
yeah )
