Over and Over again
Cause it's all in my head,
I think about it over and over again
And I can't keep picturing you with him
And it hurts so bad, yeah
Cause it's all in my head
I think about it over and over again
I re-play it over and over again
But I can't take it I can't shake it noo

I can't wait to see you
Wanna see if you still got that look in ur eye
That one you had for me be-fore we said our goodbyes
And it's a shame that we
Gotta spend our time being mad about the same things
Over and over again
About the same thing over and over again
Oh but I think she's leavin oh man she's leavin
I don't know what else to do I can't go on not lovin you
Cause it's all in my head
I think about it over and over again
And I can't keep picturing you with him
And it hurts so bad, yeah
Cause it's all in my head
I think about it over and over again
I replay it over and over again, yeah
I can't take it yeah I can't shake it nooo
I remember the day you left,
I remember the last breath you took right in front of me
When you said that you would leave
I was too dam stubborn to try to stop you or say
anything
But I see clearly now
And this choice I made keeps playing in my head
Pver and over again playing in my head over and over
again
Ohh I think she's leaving huh oh man she's leaving
I don't know what else to do I can't go on not loving you

Cause it's all in my head
I think about it over and over again
And I can't keep picturing you with him

And it hurts so bad yeah
Cause it's all in my head
I think about it over and over again
And I re-play it over and over again
And I can't take it I can't shake it no
Now that I realize that I am going down
From all this pain you put me through
Every time I close my eyes
I like it down ohh hoo
I can't go on not lovin you
Cause it's all in my head
I think about it over and over again
And I can't keep picturing you with him
And it hurts so bad, yeah
Cause it's all in my head
I think about it over and over again
Re-play it over and over again
And I can't take it I can't shake it no

Eh, eh, eh ,eh, eh, eh, eh, eh eh eh eh eh eh eh
Eh eh eh eh eh eh eh

Over and over again over
And over again cause it's all in my head
