(Chorus)

Uh uh uh

Uh uh uh

Uh uh

Uh uh uh

Cause it's all in my head

I think about it over and over again

I can't keep picturing u with him

And it hurts so bad(ya)

Cause it's all in my head

I think about it over and over again

I replay it over and over again

And I can't take it and I can't shake it(NO)

I can't wait to see you

Wanna see if you still have the look you had right

That one you had for me before we said our goodbyes

And it's a shame that we gotta spend our time being

mad about the same things

Over and over again (about the same thing)

Over and over again

Oo but I thinks she leavin

Uhh man she's leavin

I don't know what else to do (can't go on not lovin you)

(Repeat chorus)

I remember the day u left

I remember the last breathe u took right in front of me

When u said that u would leave

I was to damn stubborn to try to stop u or say anything

But I see clearly now

And the choice I made keeps palyin in my head (over
and over again)

Playin my head (over and over again)

Oo I thinks she's leavin

Uhh man she's leavin

I don't know wat else to do (I can't go on not lovin u)

(Repeat Chorus)

Now that I realize
That I'm goin down
From all this pain u put me through

Everytime I close my eyes
I lock it down
Ooooo I can't go on without lovin u

(Repeat chorus) 3 times

Uh uh uh (repeat)

(Repeat chorus untill fade)
