Tonight's the night, tonight's the night
Girl, you lookin' so fly, do, do, do
Said I wanna get it on, do, do, do
Girl, you lookin' so fly, do, do, do
Said, I wanna get it on

Now you could search the whole globe but couldn't
replace me
You skurred to face me, you don't wanna race me
Fendi fur, Cartier glasses for the blur
I'm a do it for me and let you do it for her

I got a real bad habit when I wanna grab it
So many karats in the ring I'm half man, half rabbit
Bitches be like, "Ahh man" when they see me with
Cardin
Puffin on the green, discussin' a war plan

I used to have rock, now it's stocked with a laptop
Fat pot, a six-four with the ass dropped
With a dime daughter, dabbed in Estee Lauder
I want the new Tims so from the crib I made an order

So fuck your bitch nigga, what I wanna take
Plus she been on my nuts since thumps and pencil
breaks
'Cause I'm a nigga with the hoe, a nigga with the flow
Fo' Reel nigga, pissy drunk in the Rov'

Fellas, we can get it on
Maybe even party 'til the break of dawn
'Cause the ladies are groovin' tonight
To the ladies lookin' fly
If you wanna ride them hold on tight
'Cause the fellas are groovin' tonight

Baby girl, you hear me callin' you?
Now I ain't hawkin' you, just wanna walk with you
Talk with you for a second, spit a little somethin' in that
err
Whatever it takes to make you come nerr

I'm tryna' sound sincerr, ay
Baby talkin' to me but I'm starin' at her rear and I'm like
"Oh dear"
I ain't never seen nathen like you before
And you the type to make a nigga wanna open your
door

And to the house up on the hill and the jag is yours
As long as you can prove that you wit' a nigga for sure
You know I'm young and a thug, so I got issues
I did them St. Louis blues, I done paid them dues, ay

But nevermind that, how 'bout we hop the next cruise
We can cash it or plastic, you choose
Get pissed out with the Cristal or the Boones
Get ya Xed out, leave ya stretched out in the room, my
doom

Fellas, we can get it on
Maybe even party 'til the break of dawn
'Cause the ladies are groovin' tonight
To the ladies lookin' fly
If you wanna ride them hold on tight
'Cause the fellas are groovin' tonight, yeah

Keep it movin', keep it movin', I keep it groovin', huh
Keep it movin', keep it movin', keep it groovin', huh
I keep it, movin', keep it groovin' huh, uh, uh, uh

Yo, baby girl you lookin' fly in yo' Donna K
Hopin' I could give you some love in the right way
But I don't wanna give you the wrong impression
I keep it mellow, sayin' hello, you still thinkin' I'm a thug
fellow

So I let you know from the get-go you thorough
You a cutie with thighs and you live for dinero
But, me and my team drop, shit overseas
Then bounce wit' the ounce that's thick and Japanese

I'm a goodfella, you know, I'm a made man
Got 'em winin' like spoiled babies in play pens
Put that ass up baby and I hit it from here
Now lick your tongue out lady and I put it in here

Let me whip that, lick that, and I don't stop
Then hit the block with my niggaz in, my new drop
Convertible, tens and dubs, no matter the weather
One-sixty on the dash, chinky eyes and leather, c'mon

Fellas, we can get it on

Maybe even party 'til the break of dawn
'Cause the ladies are groovin' tonight
To the ladies lookin' fly
If you wanna ride them hold on tight
'Cause the fellas are groovin' tonight

Party, party, hey, hey, hey
All day, all day, yeah
Never stop, never stop, don't wanna stop no, no babe
Never stop, don't stop, don't stop
Baby girl

Fellas, we can get it on
Maybe even party 'til the break of dawn
'Cause the ladies are groovin' tonight
To the ladies lookin' fly
If you wanna ride them hold on tight
'Cause the fellas are groovin' tonight

Fellas, we can get it on
Maybe even party 'til the break of dawn
'Cause the ladies are groovin' tonight
