Wonder how you've been?
Do all of my pictures still
Hang above your bed?
Remember when,
Under the overhead
You smoked your brand
And I stayed quiet
As the ashes burnt my hand?
Take this
For what it's worth;
Every part of you
Is part of me -
It parted us.
On deaf ears
We'll ride tonight,
Past the corner store
And through the red lights.
And when it's time
To say goodbye
Will you tell me sweetheart,
When I lose my mind?
Take this
For what it's worth;
Every part of you
Is part of me -
It parted us.
Guess I lost the battle for

Gracious Green eyes have
Turned blood red
And they're staring me dead.
Guess I lost the battle for
Gracious Green eyes have
Turned blood red
And they're staring me dead.
Me dead.
I followed you
Across the beach,
You let the water
Touch your feet
And this is how
It's supposed to be -

The two of us
Die at sea.
Take this
For what it's worth;
Every part of you
Is part of me -
It parted us.

Guess I lost the battle for
Gracious Green eyes have
Turned blood red
And they're staring me dead.
