Wonder how you've been?
Do all of my pictures still
Hang above your bed?
Remember when

Under the overhang
You smoked your brand
And I stayed quiet
As the ashes burnt my hand?

Take this for what it's worth
Every part of you is part of me
It parted us

On deaf ears we'll ride tonight
Past the corner store
And through the red lights
And when it's time to say goodbye

Will you tell me sweetheart
When I lose my mind?
Take this for what it's worth
Every part of you is part of me
It parted us

Guess I lost the battle for
Gracious green eyes
Have turned blood red
And they're staring me dead

Guess I lost the battle for
Gracious Green eyes
Have turned blood red
And they're staring me dead

Me dead, I followed you across the beach
You let the water touch your feet
And this is how it's supposed to be
The two of us die at sea

Take this for what it's worth
Every part of you is part of me

It parted us

Guess I lost the battle for
Gracious green eyes
Have turned blood red
And they're staring me dead
And they're staring me dead
And they're staring me dead
