Jean Content, he wake up everyday  
In a government yard deep down inside Citi Soleil  
Roll some bones and catch a fire, evil minds they will  
conspire  
The moon to lose its light, the stars sink into night

Across the town a young girl plays guitar  
"Do you remember me?"  
She sings to a lover she worships from afar  
Roll some bones and catch a fire, evil minds they will  
expire  
The moon to shine a light upon us all tonight

Ooh child, I'll meet you child  
On the sunny side  
It's alright, it's alright  
No lies, and no cryin'  
It's alright, alright, alright

Ooh child, I'll meet you child  
On the sunny side  
It's alright, it's alright  
No lies and no cryin'  
It's alright, alright, alright

"How you like me now?"  
My friend, he say  
"How you like the madness of Citi Soleil?"  
{[Foreign content]}  
Roll the bones and catch a fire, join the triumph of the  
choir  
Citi Soleil, Citi Soleil, I love to say Citi Soleil

Ooh child, I'll meet you child  
On the sunny side  
It's alright, it's alright  
No lies and no cryin'  
It's alright, alright, alright

Ooh child, I'll meet you child

On the sunny side  
It's alright, it's alright  
No lies and no cryin'  
It's alright, it's alright, it's alright  
It's alright  
It's alright, ooh

Ooh child, I'll meet you child  
On the sunny side  
It's alright, it's alright  
No lies and no cryin'  
It's alright, alright, alright

Ooh child, I'll meet you child  
On the sunny side  
It's alright, it's alright  
No lies and no cryin'  
It's alright, alright, alright

Ooh child, I'll meet you child  
On the sunny side  
It's alright, it's alright  
No lies and no cryin'  
It's alright, alright, alright  
Ooh child, I'll meet you child
