I've been crying
'Cause I'm lonely for you
Smiles have all turned to tears
But tears won't wash away the fears

That you're never ever gonna return
To ease the fire that within me burns

It keeps me crying baby for you
Keeps me sighin' baby for you
So won't you hurry?
Come on boy, see about me
(Come see about me)
See about you baby
(Come see about me)

I've given up my friends just for you
My friends are gone and you have too
No peace shall I find
Until you come back and be mine

No matter what you do or say
I'm gonna love you anyway

Keep on cryin', baby for you
I'm gonna keep sighin' baby for you
So come on hurry?
Come on and see about me
(Come see about me)
See about you baby
(Come see about me)

Sometime's up, sometime's down
My life's so uncertain and with you not around
From my arms you maybe out of reach
But my heart says you're here to keep

Keeps me crying baby for you
Keep on, keep on crying baby for you
So, won't you hurry?
Come on boy, see about me
(Come see about me)

See about you baby
(Come see about me)

You know I'm so lonely
(Come see about me)
I love you only
(Come see about me)
See about you baby
(Come see about me)
Hurry, hurry
