The 22nd of loneliness  
And we've been through so many things  
I love my girl with all honesty  
But I know she's cheatin' on me

I look her in the eyes but all she tells me  
Are lies that keep me near, I'll never leave her  
Down though I might mess around  
It's only 'cause I need some affection

So I creep, yeah, just keep it on the down low  
Said, nobody is supposed to know  
So I creep, yeah, 'cause she doesn't know  
What I do and no attention goes to show

The 23rd of loneliness  
And we don't talk like we used to do  
Now it seems pretty strange but I'm not buggin'  
'Cause I still feel the same yeah, yeah

I'll keep giving loving till the day  
She pushes me away, never go astray  
If she knew the things I did, she couldn't handle it  
So I choose to keep her protected

So I creep, yeah, just keep it on the down low  
Said, nobody is supposed to know  
So I creep, yeah, 'cause she doesn't know  
What I do and no attention goes to show

I creep around because I need attention  
Don't mess around with my affection  
I creep around because I need attention  
Don't mess around

Oh I, oh I, oh I, oh I, baby  
Oh I, oh I, oh I, oh I, yeah  
Oh I, oh I, oh I, oh I, baby  
Oh I, oh I, oh I, oh I, yeah
