I knew a girl, extraordinary  
Suggested something, unsanitary  
As I asked her for a moment to consider her kind offer  
She blew a kiss and said to me

"I know, you want it so  
I want it too, so see it through  
'Coz when I do what I'm gonna do to you  
Make sure you remember my name"

You know it's true, I want it too  
I know you know, so make it so  
'Coz when I do what I'm gonna do to you  
You'll never ever, ever

Intoxicated by your aggression  
I offer you my one possession  
You can fuck my body, baby  
But please, don't fuck my mind

You know it's true, I want it too  
I know you know, so make it so  
'Coz when I do what I'm gonna do to you  
You'll never ever, you'll never ever

You know it's true, I want it too  
I know you know, so make it so  
'Coz when I do what I'm gonna do to you  
You'll never ever, ever

Get you high, girl, come with me  
Take a ride in search of ecstasy  
I wanna roll, I wanna roll

I feel you now, I never knew  
You were so sad, I'll make it up to you  
'Coz I feel you now

I feel you now  
I feel you now  
I feel you now  
I feel you now

I feel you now  
I feel you now  
I feel you now  
I feel you now

I feel you now
