I'll never forget  
The first time we met  
On the beach, by the sea-  
Just opened my eyes  
Voila, a surprise:  
You were looking at me  
And I wished I owned  
A heart of stone

And I knew it was over then  
I knew that I was through  
You don't have to believe me  
But I know it's true  
And when you go, and I'm all alone  
I'll wish I owned that heart of stone

I was taken aback  
I was thrown off my track  
By your beauty and joy  
The wind blew your hair  
I just lay there, and stare  
Like a stupid schoolboy  
And I wished I owned  
A heart of stone...

And I knew it was over then  
I knew that I was through  
You don't have to believe me  
But I know it's true  
And when you go, and I'm all alone  
I'll wish I owned that heart of stone

Then we'd sit, holding hands  
Lay so many plans  
Of the places we'd go  
But the years quickly passed  
And then it came to the last  
We never left home

And so now we are old  
Both our stories are told  
And we wait for the end

And if you're the first to go  
I will follow you, know  
That my heart will not mend  
And I wish I owned  
A heart of stone
