I said, "I'm drinkin' up.  
Would you like a belt yerself?"  
You said, "Thanks, but no thanks,  
I don't drink, myself.  
But you go right ahead, my friend,  
I'm not the sort that minds."

"That's good to hear," I said  
"Because I think you'll find  
that I don't care that you don't mind."

I said, "I'm lightin' up.  
Would you like a puff?"  
You said, "Thanks, but no thanks,  
I don't do that stuff.  
But you go right ahead, my friend,  
I'm not the sort that minds."

"That's good to hear," I said  
"Because I think you'll find  
that I don't care that you don't mind."

I said "Let's do the nasty,  
I like it when it's rough."  
You said, "Well, I'm not so sure  
I like that kind of stuff.  
But I'll roll over just for you  
And take it from behind."

"That's good to hear," I said  
"Because I think you'll find  
that I don't care that you don't mind."
