Here's a nasty little queen  
There's a boy who loves his mother  
Here's another operator  
Thinking that he's got it covered

You're in a jam  
You're tied up in knots  
And I'm the man that you are not  
Yeah and I'm the man that you are not

Here's some white boy doing time  
There's one that got out  
Here's another brother who seems to think  
He knows what it's about

You're in a jam  
You're tied up in knots  
And I'm the man that you are not  
Yeah, I am the man that you are not

I'm the one just sitting back  
Waiting here alone  
I stay inside and shut the blinds  
Do everything by phone

You're in a jam  
You're tied up in knots  
Yeah and I'm the man that you are not

You're in a jam  
You're tied up in knots  
And I'm the man that you are not
