It felt real nice
I didn't think twice
It felt real good
Like I knew it would
And I don't care, and I don't mind
If I'm unfair or you're unkind,
'Cause right now I'm still kickin' back
It doesn't matter, I never bother
Looking back
It felt real fine
It was all mine
It's not too strong
It didn't last for long
And I don't care, and I don't mind
If I'm unfair or you're unkind,
'Cause right now I'm still kickin' back
It doesn't matter, I never bother
Looking back
It felt real good
Like I knew it should
It felt so good
Like I knew it would
And I don't care, and I don't mind
If I'm unfair or you're unkind,
'Cause right now I'm still kickin' back
It doesn't matter, I never bother
Looking back
