You try to play it cool
But you're pissed with me
In the swimming pool
Where you kissed with me

You're a shiny jewel
Two-fistin' drinks on me
You're a killing tool
You're getting pissed with me

Pissed with me, baby
All night long
Two-fistin' with me, baby
All night long

Another drink
And a little ice
Would be quite good, I think
Baby, don't think twice

You say we're kissin' cousins
Well, that's very nice
Baby, I've kissed dozens
You've got that extra spice

Kissin' with me, baby
All night long, yeah
Kissin' with me, baby
All night long

Kiss with me, baby
Kissin' with me, baby

I've been having some trouble
Someone's dickin' with me
I think I must have a double
Who's been frickin' with me?

Well, he seems like fun
He looks just like me
He's doing everyone
So you be stickin' with me

Stickin' with me, baby
All night long, yeah
Stickin' with me, baby
All night long

Pissed with me, baby
All night long
Kissin' with me, baby
All night long
