## "The Unforgiven Ones"

The guilty and the innocents  
The prisoners and the free  
The ugly and the beautiful  
The ones who are yet to be

Some are sinners, some repent  
Some are never done  
And then there's those like you and I  
The unforgiven ones  
The unforgiven ones

The rock that ships run up against  
No matter how they tack  
The murderers and the murdered ones  
And the ones who don't come back

Some are sinners, some repent  
Some are never done  
And then there's those like you and I  
The unforgiven ones  
The unforgiven ones

The one whose heart is of a saint  
The other's black as night  
The one who never wondered  
What made something wrong, or right

Some are sinners, some repent  
Some are never done  
And then there's those like you and I  
The unforgiven ones  
The unforgiven ones
