She got that ba-da-buh-da  
Girl ain't gotta know I hit ya last night  
I was all over your body goin' ba-da-buh-da  
Dame be such a hottie yo she's lookin' over here  
But she won't get it out me y'all

Shake it off, that's how you play it off  
Shake it off, that's how you play it off  
Not now, no you can't take it off  
But play it off, she won't know a damn thing

I play it off 'til it's played out  
I had her motherfuckin' ass on the couch, kinda laid out  
She hittin' them [Incomprehensible] and made out  
I know I'm spaced out but the shit sound way out

So I had to take a playa out, switch up my whereabouts  
'Cause she was tryin' to turn a playa out  
And plus she know a nigga blazed out  
And lil' mama gon' crack a window, let the haze out

She said she loves that stroke  
Keep on her heels and her coat  
Then she say she loves my moves  
And the way I do, what I do

She got that ba-da-buh-da  
Gotta make sure  
I don't get attached that ba-da-buh-da  
But it keeps on bringin' me back

She got that ba-da-buh-da  
Girl ain't gotta know I hit ya last night  
I was all over your body goin' ba-da-buh-da  
Dame be such a hottie yo she's lookin' over here  
But she won't get it out me y'all

Shake it off, that's how you play it off  
Shake it off, that's how you play it off  
Not now, no you can't take it off  
But play it off, she won't know a damn thing

The Sun sick a triflin', so sick he have ya snifflin'  
Plus the chains like the nigga Slick Rick an' them  
We had pick of them, strictly all dimensions and  
Not to mentionin', the Benjamin's is thickenin'

And now it's like a odyssey when she sayin' hi to me  
She eat the dick, then she cry when she gotta leave  
Bye, bye, you gotta go now, yeah  
My girl, just, pulled up outside

She said she loves that stroke  
Keep on her heels and her coat  
Then she say she loves my moves  
And the way I do, what I do

She got that ba-da-buh-da  
Gotta make sure  
I don't get attached that ba-da-buh-da  
But it keeps on bringin' me back

She got that ba-da-buh-da  
Girl ain't gotta know I hit ya last night  
I was all over your body goin' ba-da-buh-da  
Dame be such a hottie yo she's lookin' over here  
But she won't get it out me y'all

Shake it off, that's how you play it off  
Shake it off, that's how you play it off  
Not now, no you can't take it off  
But play it off, she won't know a damn thing

Just know the whole hood is lookin' at you  
So don't let your girl catch you  
So have your story right, on how we met  
Just have your story right and don't never forget  
You need your story right 'cause she'll be upset  
Her inner feelings will be disrespect but

She said she loves that stroke  
Keep on her heels and her coat  
Then she say she loves my moves  
And the way I do, what I do

She got that ba-da-buh-da  
Gotta make sure  
I don't get attached that ba-da-buh-da  
But it keeps on bringin' me back

She got that ba-da-buh-da  
Girl ain't gotta know I hit ya last night  
I was all over your body goin' ba-da-buh-da

Dame be such a hottie yo she's lookin' over here  
But she won't get it out me y'all

Shake it off, that's how you play it off  
Shake it off, that's how you play it off  
Not now, no you can't take it off  
But play it off, she won't know a damn thing

Story right, just know the whole hood is lookin' at you  
Story right, so don't let your girl catch you  
Story right
