Honestly, what will become of me  
Don't like reality  
It's way too clear to me  
But really, life is dandy  
We are what we don't see  
Miss everything daydreaming

(chorus)

Flames to dust  
Lovers to friends  
Why do all good things come to an end  
Flames to dust  
Lovers to friends  
Why do all good things come to an end  
Come to an end  
Come to an  
Why do all good things come to an end  
Come to an end  
Come to an  
Why do all good things come to an end

Traveling, I only stop at exits  
Wondering if I'll stay-tay  
Young and restless  
Living this way I stress less  
I want to pull away when the dream dies  
The pain sets in and I don't cry  
I only feel gravity and I wonder why

(chorus)

And the dogs were whistling a new tune  
Barking at the new moon  
Hoping it would come soon  
So that they could...

Dogs were whistling a new tune  
Barking at the new moon  
Hoping it would come soon  
Soon so that they could die  
(Die... Die... Die...)

(chorus)

When the dogs were barking at the new moon

Whistling a new tune  
Hoping it would come soon

And the sun was wondering if it should stay away for a day  
Till the feeling went away  
And the sky was falling and the clouds were dropping  
And the rainfall forgot how to bring salvation  
The dogs were barking at the new moon  
Whistling a new tune hoping it would come soon  
So that they could die
