Dylan Murray verse:

I was on the grind I could hardly find  
Time to be with you  
You were always there but I never cared  
Until you went away  
Thinking back to then  
What I should have done  
To show you my love  
I can't believe I let you  
I can't believe I let you slip away  
Are you gonna be ok?  
I've been doing so much thinking about you  
Fall asleep and I start dreaming about you  
Are you gonna be ok?  
I've been doing so much thinking about you  
Fall asleep and I start dreaming  
You were always mine then there came a time  
You needed to be free  
I didn't understand it wasn't in the plans  
But I let you be  
They say that if they love you and you let them go  
They'll fly back one day  
I can't believe I let you  
I can't believe I let you slip away  
Are you gonna be ok?  
I've been doing so much thinking about you  
Fall asleep and I start dreaming about you  
Are you gonna be ok?  
I've been doing so much thinking about you  
Fall asleep and I start dreaming  
Dylan Murray verse:  
You always were so carefree in your way  
You never let it get to you that way  
And now you are so far  
You're so far away  
I hope you know what to do  
I'll be thinking about you  
thinking about you  
Are you gonna be ok?  
I've been doing so much thinking about you  
Fall asleep and I start dreaming  
Are you gonna be ok?

I've been doing so much thinking about you  
Fall asleep and I start dreaming about you  
(repeat three times)
