I have lost my vital signs  
Here inside it's a flatline  
I'm critical so get here soon  
It's everything to do with you  
I lose my mind without you  
I break my stride without you  
And I'm sure it's a blight

At times like these  
I can put on a bright face  
I can turn and walk away  
I can't hate  
At times like these  
I can nothing new to say  
But I got nothing to lose  
And then to cry, in front of you

All around are bright white lights  
If my heart it stops I'll know  
Only you save me tonight  
Tell me where you are I'll go  
I lose my mind without you  
In short supply

At times like these  
I can put on a bright face  
I can turn and walk away  
I can't hate  
At times like these  
I can nothing new to say  
But I got nothing to lose  
And then to cry, in front of you

Cry, Cry like a baby  
Cry, Cry like a baby  
Cry, Cry like a baby  
Cry, Cry like a baby

At times like these  
I can put on a bright face  
I can turn and walk away

I can't hate  
At times like these  
I can nothing new to say  
But I got nothing to lose

Cry, Cry like a baby  
Cry, Cry like a baby  
Cry, Cry like a baby  
I'm gonna cry!  
Cry, Cry like a baby  
I'm gonna let it all out  
Cry, Cry like a baby  
Let it all out  
Let it all out  
Cry, Cry like a baby  
Let it all out  
Let it all out  
Cry, Cry like a baby  
Let it all out  
Cry, Cry like a baby  
In front of you
