Visions of you Visions of me Everything we wanted

I wanna be frozen in time forever in this moment

How you wanna live? What you wanna be? How you wanna be? So alive

What you wanna do? What you wanna be? I know you wanna live your life right

The Night is young, and so are we We can do anything
Oh Love Baby

The Night is young, and so are we We can be anyone
Oh Love Baby

Cause we are
Free Free Free Free Free
And life is
Free Free Free Free Free

Dont worry Baby, ill be here To make show youre feeling fine To can let go of all your fears Cuz Youre not going on tonight

How you wanna live What you wanna be Dont you know u make me feel so alive

What you wanna do What u wanna be I know u wanna live ur life right The Night is young, and so are we We can do anything

Oh Love Baby

The Night is young, and so are we We can be anyone
Oh Love Baby

Cause we are Free Free Free Free Free And life is Free Free Free Free Free

Baby its all good
(Baby its all good)
When I look at you
(When I look at you)
And i see that you
(And i see that you)
Made it trough everything
(Made it trough everything)
After all of the ups and downs
(all of the ups and down)
We figured it out
(Defending it all out)
And i will know
How to ride it out

The Night is young, and so are we We can do anything
Oh Love Baby

The Night is young, and so are we We can be anyone
Oh Love Baby

Cause we are
Free Free Free Free Free
And life is
Free Free Free Free Free

(Lets get everything, Im not scared of anything)
