I've been watchin you like a hawk
I know you're hidin somethin'
When we're together
I can hardly breathe
I feel like it's gonna spill out of me
What I believe

I would rather wait
'till it looks so bad
That you can't no longer hide it from me
I would rather wait
For the chance to get you in hide me

You've got a girlfriend in this city
You've got a girlfriend in this city
Oh, is your girlfriend pretty?
Does she look like me?

Does she blow your mind all the time
But I hear just passing time

You've got a girlfriend in this city
And it's not me.

I stay at home on the other side of town
Waiting, oh lord, would u bring me flowers
You are far away
And when I don't know it won't hurt me
But it do
And worse is killing you all the guilt inside
I can see yeah, it's true

You've got a girlfriend in this city
You've got a girlfriend in this city
Oh, is you girlfriend pretty?
Does she look like me?

And I'm dying to know what she's like
Although I know it won't make this right

You've got a girlfriend in this city

And it's not me

Does she wears her hair up
Or her hair down
Is she quite
Or is she loud
Does she dress up
Or she dress down
Why you keep her around

Push it to you yeah (repeat)

You've got a girlfriend in this city
You've got a girlfriend in this city
Oh Is your girlfriend pretty?
I wanna see

Does she blow your mind all the time
But I hear just passing time

You've got a girlfriend in this city
And it's not me

Girlfriend
Girlfriend
Girlfriend in this city
Girlfriend in this city

I Know about a girlfriend
I Know about a girlfriend in this city

I know about it (repeat)
