This is not political it's just
That I demand attention when I walk into a room
And it's not that I can't play ball hard it's just that I don't
want to
And the more I think about this pressure love I don't
want you

And I can't have you and that's what hurts the most
I cannot show you these things I boast
I'll throw my heart out, keep my head up, I cannot fuck
up 'cuz

I got what you need boy
(Baby, I do)
But I will only 'cause you pain, yeah
(I promise that)
I got what you need boy
(Baby, I do)
But I will only bring on the rain

So I'll prefer to run this road rough around the edges
Good for something but too good to give it to you
You run your own course at your own pace but I just got
impatient
See, I wanted to explore

Forsake you, forsook you, abate you, dissipate you
So turn fate around, I believed that I was free of you
Not I still believe in those days on benches at sunset
Or the waves in July or was it March

We weathered weathers and storms real and imagined
Such fragile tenderness
You are truly blessed
I stress this as I blow you this kiss as I blow it in the
wind

I got what you need boy
(Baby, I do)
But I will only 'cause you pain, yeah
(I promise that)
I got what you need boy

(Baby, I do)
But I will only bring on the rain

Gonna make you cry so damn hard
You're gonna curse your drawers and wish you weren't
a boy
Gonna make you cry so damn hard
You'll curse your drawers and wish you weren't a boy,
yeah

I will make U cry
I will make U cry

They say time is made of memories
Well I remembered and I'm tired
This is not political
It's just that I remember the fire

Babe, you left me with my head held high
And I feigned to be more than I was, didn't I
I thought I could do without sugar love
But this chocolate has turned into sweet bubble gum
Candy is sweet but honey is sweeter
It tastes like the real thing but candy is much much
cheaper, cheaper

I got what you need boy
(Baby, I do)
But I will only 'cause you pain, yeah
(I promise that)
I got what you need boy
(Rain a'fallin' down, rain a'fallin' down)
(Baby I do)
(Rain a'fallin' down, rain a'fallin' down)
But I will only bring on the rain
(Rain a'fallin' down, rain a'fallin' down)

Time crying, you'll be crying
I'm sorry I made you cry
I didn't mean to, let me wipe those tears away
Wipe those tears away
Don't cry baby
It's only rain
