I know you're trying to get around me, baby  
I know you've got me in your heart, baby  
I know that you could love me  
If you only had a guarantee

When I look at your face, it's so empty  
I know, I could fill you with love, baby  
'Cause your soul is crying for me  
Can't deny our energy

And you're far, I'm near, you're there, I'm here  
You're hunting for me, I can see it in your eyes  
Some of the hardest things  
Are easy to achieve with patience

I'll wait for you until the heavens fall  
I'll wait for you until the end of the world  
I'll wait for you until I no longer breathe  
I know that's it's not impossible

I'll wait for you until you finish your fight  
I'll wait for you until the timing is right  
I'll wait for you until you knock on my door  
'Cause right now it's feeling just like a movie  
Yeah, yeah, just like a movie, yeah, yeah

I know that this is hard for you  
Want you to know that I'm feeling it too  
It's taken some time but now I see everything  
It's so clear to me

I can't give up your love without dying, baby  
I'll wait until the sea is dry, baby  
How do we know what love is  
Until it is free?

And you're far, I'm near, you're there, I'm here  
You're hunting for me, I can see it in your eyes  
Some of the hardest things  
Are easy to achieve with patience

I'll wait for you until the heavens fall

I'll wait for you until the end of the world  
I'll wait for you until I no longer breathe  
I know that's it's not impossible

I'll wait for you until you finish your fight  
I'll wait for you until the timing is right  
I'll wait for you until you knock on my door  
'Cause right now it's feeling just like a movie  
Yeah, yeah, just like a movie, yeah, yeah

You don't gotta do anything that you can't do  
You don't gotta do anything in a hurry  
You don't gotta do anything that you can't do  
I know you're there you got me

You don't gotta do anything that you can't do  
You don't gotta do anything in a hurry  
You don't gotta do anything so don't worry  
I trust you and I know you're there, I know you're there

Just like a movie, just like a movie  
Just like a movie, just like a movie

Wait for you until the heavens fall  
I'll wait for you until the end of the world  
I'll wait for you until I no longer breathe  
I know that's it's not impossible

I'll wait for you until you finish your fight  
I'll wait for you until the timing is right  
I'll wait for you until you knock on my door  
'Cause right now it's feeling just like a movie  
Yeah, yeah, just like a movie, yeah, yeah
