Go Timbo!

I be the same when it all goes up
I be the same when it all goes down
Not the first one, open it up
I be the last one closing it out
Don't know if I'll give you a shot yet
Lil Mama I'm peeping your style
Do I think you're dope enough, yup
One way of finding it out
The way you came at me, boo
Don't care, not afraid I'm like Wild
Really want it from head to toe
Question if she gone let it out
Anyway the hour glass go
I don't worry anyhow
Why don't we see where it go
Let's figure it out

[Chorus]

When the cats come out the bats come out to play Yeah
In the morning after
The dawn is here, be gone be on your way Yeah
In the morning after
When the cats come out the bats come out to play Yeah
In the morning after
The dawn is here, be gone be on your way Yeah
In the morning after Dark

Owww, Oooohhh Owww

Come on So Shy

[So Shy]

I got a little secret for ya
I never sleep when comes the night
But every time I smack my fingers
I switch back into the light
My moon belong to your sun
Your fire is burning my mind
Is it love or is it lust
Something that I just can't describe (ah)

Am I the one and only (ah)
Cause you're the only one (ah)
It felt so long and lonely (ah)
Waiting for you to come
It's looking bright and early
I'm willing to close my eyes
This is the unusual story
Timbo and So Shy

[Chorus]

When the cats come out the bats come out to play Yeah
In the morning after
The dawn is here, be gone be on your way Yeah
In the morning after
When the cats come out the bats come out to play Yeah
In the morning after
The dawn is here, be gone be on your way Yeah
In the morning after Dark

Go Nelly!

[Nelly Furtado]

I ain't Tamarrian but I don't like sleeping alone
So come and pick me up as soon as you put down the
phone
I wanna get into trouble later you'll carry me home
I wanna go undercover I just wanna rattle your bones
Yes I'm the one and only but I'm not the only one
So lets work overtime on this shit and dance with the
sun
Maybe we can start over yet, maybe we can run this
town
Maybe I'll be your vampire we can figure it out

[Chorus]

When the cats come out the bats come out to play Yeah
In the morning after
The dawn is here, be gone be on your way Yeah
In the morning after
When the cats come out the bats come out to play Yeah
In the morning after
The dawn is here, be gone be on your way Yeah
In the morning after Dark

Dark dark dark dark dark
In the morning after dark
Dark dark dark dark dark
In the morning after dark
Please don't leave me girl
In the morning after dark

Please don't leave me girl

(Please don't leave me girl)

When the cats come out the bats come out to play

When the cats come out the bats come out to play

Play play

The dawn is here be on your way

When the cats come out the bats come out to play

Play play play

The dawn
