And it don't gotta be the night time
Baby for it to be the right time, yeah
And if you link me in the day time
It shoulda be my wide awake time

We can talk if you wanna talk
Take a walk in the park
Watch movies in the dark
Or we can play
All day, all day, yea
All day, all day, yea
All day, all yea

We can talk if you wanna talk
Take a walk in the park
Watch movies in the dark
Or we can play
All day, all day, yea
All day, all day, yea
All day

And you don't gotta catch me in the mood
'Cause I'm always in the right mood for you
Just do what it is right to do
Just be you cause baby you're the truth
You're the truth

We can talk if you wanna talk
Take a walk in the park
Watch movies in the dark
Or we can play
All day, all day, yea
All day, all day, yea
All day
[x2]

Call me, call me lazy
Call me insecure
Just want you around, around, around
To have and to hold
Call me, call me crazy

Just wanna get you here
Just playing around, around, around

I've got no plan on my itinerary
If we're dead til tomorrow baby hurry
My shade stays opened just like a window
And a charter lane (?) where only you go
So (?) anytime, anyplace, anytime

We can talk if you wanna talk
Take a walk in the park
Watch movies in the dark
Or we can play
All day, all day, yea
All day, all day, yea
All day
[repeat]
