How you doin' young lady

That feelin' that you givin' really drives me crazy

You don't haveta play about the joke

I was at a loss of words first time that we spoke

Looking for a girl that'll treat you right

You lookin' for her in the day time with the light

You might be the type if I play my cards right

I'll find out by the end of the night

N: You expect me to let you just let you hit it

But will you still respect me if you get it

All I can do is try, gimme one chance

What's the problem I don't see no ring on your hand

I be the first to admit it, I'm curious about you, you  
seem so innocent

N: You wanna get in my world, get lost in it

Boy I'm tired of running, lets walk for a minute

Chorus-

Promiscuous girl

Wherever you are

I'm all alone

And it's you that I want

N: Promiscuous boy

You already know

That I'm all yours

What you waiting for?

Promiscuous girl

You're teasing me

You know what I want

And I got what you need

N: Promiscuous boy

Let's get to the point

Cause we're on a roll

Are you ready?

Verse-

N: Roses are red

Some diamonds are blue

Chivalry is dead

But you're still kinda cute

Hey! I can't keep my mind off you

Where you at, do you mind if I come through

N: I'm out of this world come with me to my planet

Get you on my level do you think that you can handle  
it?

They call me Thomas

last name Crown

Recognize game

I'm a lay mine's down

N: I'm a big girl I can handle myself

But if I get lonely I'ma need your help

Pay attention to me I don't talk for my health

I want you on my team

N: So does everybody else.

Baby we can keep it on the low

Let your guard down ain't nobody gotta know

If you with it girl I know a place we can go

N: What kind of girl do you take me for?

Chorus-

Don't be mad, don't get mean

N: Don't get mad, don't be mean

Hey! Don't be mad, don't get mean

N: Don't get mad, don't be mean

Wait! I don't mean no harm

I can see you with my t-shirt on

I can see you with nothing on

feeling on me before you bring that on

Bring that on

N: You know what I mean

Girl, I'm a freak you shouldn't say those things

I'm only trying to get inside your brain

To see if you can work me the way you say

It's okay, it's alright

I got something that you gon' like

Hey is that the truth or are you talking trash

Is your game M.V.P. like Steve Nash

Chorus-

Promiscuous Girl

Wherever you are

I'm all alone

And its you that I want

N: Promiscuous Boy

I'm calling your name

But you're driving me crazy

The way you're making me wait

Promiscuous Girl

You're teasing me

You know what I want

And I got what you need

N: Promiscuous Boy

We're one in the same

So we don't gotta play games no more
