N:Am I throwing you off?

T:Nope!

N:Didn't think so...

T:How ya doing young lady

The feeling that you gave me really drives me crazy

You don't have a player on your trunk

I was at a loss of words

First time that we spoke

N:If your looking for a girl that'll treat you right

If you looking for her in the day time in the light

T:You might be the type if I play my cards right

I'll find out by the end of the night

N: You expect me that just let you hit it

But will you still respect me if you get it?

T:All I can do is try, give me one chance

What's the problem? I don't see no ring on your hand

I'll be the first to admit it, I'm curious about you, you seem so loose

N: You wanna get in my world, get lost in it

Boy I'm tired of running, lets walk for a minute

Chorus-

T:Promiscuous girl

Wherever you are

I'm all alone

And it's you that I want

N: Promiscuous boy

You already know

That I'm all yours

What you waiting for?

T:Promiscuous girl

You're teasing me

You know what I want

And I got what you need

N: Promiscuous boy  
Let's get to the point  
Cause we're on a roll  
You ready?

Verse-

N: Roses are red  
Some diamonds are blue  
Chivalry is dead  
But you're still kind a cute

T:Hey! I can't keep my mind off you  
Where u at, do you mind if I come to

N: I'm out of this world come with me to my planet  
Get you on my level do you think that you can handle  
it?

T:They call me Thomas  
Last name Crown  
Recognize game  
I'm a lay mine's down

N: I'm a big girl I can handle myself  
But if I get lonely I may need your help  
Pay attention to me I don't talk for my health  
T:I want you on my team  
N: So does everybody else.

T:Baby we can keep it on the low  
Let your guard down ain't nobody gotta know  
If you with it girl I know a place we can go

N: What kind of girl do you take me for?

Chorus-

T:Promiscuous girl  
Wherever you are  
I'm all alone  
And it's you that I want

N: Promiscuous boy  
You already know  
That I'm all yours  
What you waiting for?

T:Promiscuous girl  
You're teasing me  
You know what I want  
And I got what you need

N: Promiscuous boy  
Let's get to the point  
Cause we're on a roll  
You ready?

Verse-

T: (beat) frica Don't be mad, don't get mean  
N: (beat) frica Don't get mad, don't be mean

T: Hey! Don't be mad, don't get mean  
N: (beat) frica Don't get mad, don't be mean

T: Wait! I don't mean no harm  
I can see you with my t-shirt on

N: I can see you with nothing on  
Feeling on me before you bring that on

T: Bring that on?  
N: You know what I mean

T: Girl, I'm a freak you shouldn't say those things

N: I'm only trying to get inside of your brain  
To see if you can work me the way you say

T: It's okay, it's alright  
I got something that you won't like

N: Hands of the trigger are you talking trash?  
Is your game M.V.P. like Steve Nash?

Chorus-

T: Promiscuous Girl  
Wherever you are  
I'm all alone  
And it's you that I want

N: Promiscuous Boy  
I'm calling your name  
But you're driving me crazy  
The way you're making me wait

T: Promiscuous Girl  
You're teasing me  
You know what I want  
And I got what you need

N: Promiscuous Boy  
We're one and the same  
So we don't gotta play games no more
