(Break It, Break It Down)  
(You don't mean nothing at all to me)  
(Break it, break it, break it, break it, down)

In the day  
In the night  
Say it right  
Say it all  
You either got it  
Or you don't  
You either stand or you fall  
When your will is broken  
When it slips from your hand  
When there's no time for joking  
There's a hole in the plan

Oh you don't mean nothing at all to me  
No you don't mean nothing at all to me  
But you got what it takes to set me free  
Oh you could mean everything to me

I could say (say)  
That I'm not (not)  
Lost (lost)  
And at fault (fault)

I could say (say)  
That I don't (don't)  
Love the light (light)  
And the dark (love the light)

I could say (say)  
That I don't (don't)  
Know that I (I)  
Am alive (alive)  
And I'll love (love)  
What I feel (feel)  
I could show (show you)  
You tonight  
You tonight

Oh you don't mean nothing at all to me

No you don't mean nothing at all to me  
But you got what it takes to set me free  
Oh you could mean everything to me

From my hands I could give you  
Something that I made

From my mouth I could  
Sing you another brick that I laid

From my body (from ny body)  
I could show you ( I could show you)  
A place (a place)  
God knows (that only god knows)

You should know the space is holy  
Do you really want to go? (two, three, four)  
(You don't mean no nothing at all to me)  
(You don't mean nothing at all to me)
