Oh, oh, oh  
Yeah, yeah, yeah  
Turn on a light inside your eyes  
You got me inspired every time  
I wanna jump, I wanna scream  
I wanna do so many crazy things!  
On top of the world, so much I could ride  
I am at the hard times pass me by  
A feet on the ground I gave up my wings  
I'm looking assuring, and you make me say

Chorus:

Baby, it's a pretty boy  
Bring your whole life with me  
I wanna make you happy,  
I wanna feel the magic  
I'm standing on the edge of  
A cliff I never known before  
I wanna dive into the water  
Soak it up, soak it up, up, up

My thoughts, on my lies  
Doing beyond that's from a previous life  
I know it's gonna be a beautiful day  
I kiss my gun and see what's

Chorus:

Baby, it's a pretty boy  
Bring your whole life with me  
I wanna make you happy,  
I wanna feel the magic  
I'm standing on the edge of  
A cliff I never known before  
I wanna dive into the water  
Soak it up, soak it up  
Soak it up, soak it up, oh, oh

Baby, it's a pretty boy  
Bring your whole life with me  
I wanna make you happy,  
I wanna feel the magic

I'm standing on the edge of  
A cliff I never known before  
I wanna dive into the water  
Soak it up, soak it up, yeah, yeah  
Soak it up, soak it up, oh, oh  
Oh, oh, oh, oh
