You got your ways enough of mine  
It's taking up all of my time  
We need you to adore me  
Come sit and drink from a cup  
Don't leave until you're filled up  
You're tired of all your travelling

I don't need nothing at all  
Nothing but your kiss  
Nothing but your arms  
I don't need nothing at all

But somebody to love  
Somebody to hold  
Somebody that I can feel in my blood  
Somebody to hold  
Somebody to own  
Somebody to make me feel I'm in love

I know I'm missing for a word  
I'm not trying to say a thing  
I'm trying to live in this moment

Count all the sins, what it says  
Tell me how long it'll take  
To unravel your body

I don't need nothing at all  
Nothing but your touch  
Nothing but your hand  
I don't need nothing at all

But somebody to love  
Somebody to hold  
Somebody that I can feel in my blood  
Somebody to hold  
Somebody to own  
Somebody to make me feel I'm in love

I need somebody to love  
Somebody to hold  
Somebody that I can feel in my blood

Somebody to hold  
Somebody to own  
Somebody to make me feel I'm in love
