Chali 2na]

Yo, this is a lesson in friendship  
The depths of a kinship  
What women and men begin with, and then slip  
My pen drips  
As I scribble my thoughts on thin strips  
Of emotion  
A fraction, seduction, attraction  
Eruption of passion  
Corrupts if a lasted friendship's involved  
But love to cross the line  
But that's why we built these walls

[Hook: Nelly Furtado]

We been friends for a long time, a very close friend of mine  
Love you like you was mine, but respect a thin line  
I love you like you was mine, think about you all the time  
Very close friend of mine, but respect a thin line

[Akil]

Opposite's attract  
When the female and male come in contact  
Sticky situation in fact  
Tryin not to let the feelings catch  
But there's a thin line between both of y'all  
So you respect that  
And entertain the idea, but get brought back  
To reality, and could you really live with that?  
Decision, based on intuition  
You love and keep your distance  
Hug and kiss in friendship

[Marc 7]

An ongoing kinship, we was people to begin with  
Disrespect was not intended  
but your feelings sparked the sentence  
Sometimes you're too intense in your quest to invent  
The perfect man, please understand, my rhyme is your repent

[(Hook) - repeat 2X]

[Soup]

Man, too bad that we became friends first  
I'm not an expert on how relationships should work  
But, (echos) from the minute it was known  
It changed the whole tone on how we spoke on the  
phone  
Yo, it was cool but I felt it wasn't enough  
And I was stuck when your moms would pick it up  
Over you, all my buddies would swoon  
But I felt we were in tune, you let me up in your room.  
(Damn)  
But to me girl, you're still off limits

No matter all the times that I hinted. (Yo, whatchu doin  
after this?)  
Infatuation was authentic, but yo I just pretended  
So I wouldn't lose the friendship  
Maybe, I should spill all my guts  
Or write a letter, then tear it up  
Or do a song, just to say what's up  
I want ... just ... a touch

[(Hook) - repeat 2X]

[Nelly Furtado]

I can't do this anymore  
See my heart just falls out when you walk in the door  
Friendship turns into lust and this only tip  
That I can't comprehend even if I knew it  
Can't do justice to these things that I'm feeling  
You got someone else, don't wanna be caught stealing  
Hell if she knew she would never leave us alone  
in the roo-ooo-oom

[Chali 2na]

This was a lesson in friendship  
I stress in this sentence  
Should women and men be friends first?  
And then slip?  
My pen drips as I scribble my thoughts on thin strips  
of devotion

[Akil]

Opposites attract  
And best friends make a perfect match  
If you only knew that  
Once you cross, ain't no turning back  
The minute you let him in it and he hit that  
That's that

[Marc 7]

We was people to begin with, but you was too relentless  
Jeporidizing kinship, respect is intended  
Resolve is my intent  
While we got it in  
I'm tryin to salvage a friendship

[(Hook) - repeat 2X]
