(Timberland)

It's kinda dark in here

I can't see you

Repeat 4x

I really really want you to see me

So baby don't turn off the lights girl

Repeat 4x

(Nelly Furtado)

It's getting so lonely inside this bed

Don't know if I should lick my wounds or say woe is me
instead

And there's an aching inside my head

It's telling me you're better off alone

But after midnight morning will come

And the day will see if you will get some

Chorus:

They say that girl ya know she act too tough tough
tough

Well it's till' I turn off the light, turn off the light

They say that girl you know she act so rough rough
rough

Well it's till' I turn off the light, turn off the light

And I say follow me follow me follow me down down
down down

Till' you see all my dreams

Not everything in this magical world is quite what it
seems

I looked above the other day

'cause I think I'm good and ready for a change

I live my life by the moon

If it's high play it low, if it's harvest go slow and if it's
full, then go

But after midnight morning will come

And the day will see if you're gonna get some

Chorus

I'm searching for things that I just cannot see
Why don't you don't you don't you come and be with
me
I pretend to be cool with me, want to believe
That I can do it on my own without my heart on my
sleeve
I'm running, I'm running, catch up with me life
Or is it love that I'm looking to find
It's all in me, can't you see, why can't you, why can't
you see it's all in me

(Ms. Jade)

I've been through many things
I've seen a lot of faces
A lotta you bet they peep begged up by many cases
It ain't my skin it's my will I'mma win
Right a will till the end
I don't brake for the bend
Then again, ya'll done begged born shooters
In the streets like tutors, to my shakers they movers
It's looking for the green
Everything ain't what it seems
A different thing lays leaving 'em with a VA lean
It ain't no magic we living up in the real world
Real deal, represent for my real girl
I know it's lonely at the top, and I might fall
As for them, while I lose it turn them lights off

(Timberland)

I really really want you to see me
So baby don't turn off the lights girl
Repeat 7x

(Nelly)

Turn off the lights
Repeat 8x
